INTERNATIONAL AESTHETIC CONFERENCE

15TH - 16TH AUGUST 2020

**ADAC**  
Aesthetic Dermatology Academy Conference  
KUALA LUMPUR 2020

Dear distinguished compeers,

The ongoing Covid 19 Pandemic, travel restriction and social distancing is affecting the international speakers and delegates to attend the physical conference and exhibition as planned on 15-16 August 2020.

We decided to continue with ADACKL 2020 but online. It will be another NEW experience from ADAC.

It is going to be like a tv production programme that have host, speakers and delegates interact online and even live demo and entertainment. Not the usual webinar.

We hope that you could continue to be part of ADACKL Online after our succesful physical event last year.

Yours truly,  
**Scientific Directors**

*Dr Woraphong Manuskiatti*

*Dr Rungsima Wanitphakdeedecha*

*Dr Ting Song Lim*

**DR GLEN CALDERHEAD**

*VP of Medicoscientific Affairs, Lutronic*

It's been my pleasure to live in Asia for 40 years. And during that 40 years, I've seen such an explosion of interest in all forms of disease in Asian skin and the ways to combat that disease.

So with congresses like this, this is where the future of healthcare for Asian skin lies.
